NOVEMBER NEWSLETTER 2011

Next Meeting – Saturday 28th January 2012 10am – 12noon

Xmas lunch today at the Frenchville club. The members attending agreed to donate the xmas gifts to a charity suggested by Wendy Piuselli – For women of Africa – birthing kits.

MEMBERSHIP: all members need to remember that membership is due in February 2012. We will send out a new membership form with the February Newsletter.

CLEANUP OF WORK AREA: The Work Area is for “works in progress/current work”. We can see that there are some items on the shelves in the work area that have been there for a long time, some of them years. In the early 2012 we will be doing a clean up of this area and all members need to come and have a look and take home any work that they are not currently working on, and remove any personal materials/clay from this area.

ADULT CLASSES: Tricia is asking is there any member out there who wants to teach any of the adult classes? If so please contact Tricia or Mae to discuss. Tricia is still willing to do the classes but wants others to have this opportunity if they want to do it.

TECHNICAL OFFICER: all those newer members out there remember that Mae Askeland is our Technical Officer and is very happy to answer questions and help members with their pottery questions. Many of us over the years have benefited greatly by what we call “phone a friend” calling Mae and other experienced potters when we need help with something.
